SKILLS

Clinical skills:

- **Pediatric Echocardiography:**
 - Skillful use of echocardiography for diagnosis of acyanotic and cyanotic heart diseases including very complex types.
 - Expert in neonatal echocardiography
 - Pre-operative, intra-operative and post-operative transesophageal echocardiography (TEE)
 - Expert in decision making for surgery and cardiac catheterization.
- **Cardiac Catheterization:**
 - Can do various interventional Cardiac procedures:

Being the first operator in the following percutaneous procedures (including different scenarios and anatomic challenges with pre- & post-procedural follow-up):

- ASD device closure.
- PDA device closure.

- VSD device closure.
- Balloon Atrial Septostomy (Rashkind procedure).
- PS balloon valvuloplasty.
- Pulmonary artery branch Stenting.
- COA balloon and stenting.
- AVM or anomalous vein device closure.
- MAPCA closure & stenting.
- Hemodynamic studies.

Being the second operator in the following percutaneous procedures (including different scenarios and anatomic challenges with pre- & post-procedural follow-up):

- Percutaneous Pulmonary Valve Implantation.
- Pulmonary valve perforation
- PDA stenting.
- Coronary fistula device closure.
- Pulmonary venous baffle dilation & stenting.

- **Pediatric ECG:**

- Expert in interpreting pediatric ECG and Holter studies
- Expert in management of pediatric arrhythmias

- **GENERAL PEDIATRIC SKILLS:**

As a pediatrician; during residency or post-residency, I used to do the following:

- Dealing with mechanical ventilation cases in PICU and NICU.
- Exchange transfusion.
- Vascular access insertion; either venous or arterial, peripheral, central or PICC. Also, can do the maeuvers guided by Ultrasound.
- Venous Cut-down.

- Intra-osseous access.
- Umbilical catheterization; venous or arterial.
- Arterial and venous sampling.
- Lumbar puncture and intra-thecal injection.
- Percutaneous pericardiocentesis.
- Chest tube insertion.
- Urinary catheterization and sampling including supra-pubic puncture.
- Nasogastric or Orogastric tube insertion and Gastric Lavage.
- Deal with POCUS protocol: Can do and interpret ultrasound to pediatric patients according to POCUS protocol (transcranial US, chest US, Abdominal US and echocardiography).

Educational skills:

- **Student Teaching:**

- Founder of "peDicardium" series for teaching pediatric cardiology topics in a way suitable for non-cardiologists. The group telegram link: https://t.me/+jw_LEkTTjM1NDFk
- As a Lecturer of Pediatrics and Pediatric Cardiology, I am engaged in teaching of Students of Faculty Of Medicine, Aswan University and having excellent feedback from the students and colleagues.

- **BLS providers searching**

- BLS Instructor at American Heart association and getting 99% from the faculty assessment of AHA.

Memberships

- Member of European Society of Pediatric and Congenital Cardiology (AEPC).
- Member of the Egyptian Society of Cardiology
- Member of the Egyptian Society of Pediatric Cardiology.

- Member of the Egyptian Society of Pediatrics.

VOLUNTEERING

- **Charity activity: Interventional Pediatric Cardiology activity with Dar Al-Orman charity.**
- **Charity activity member in Chain of Hope Organization (An international charity organization doing cardiac interventions across the globe; Founded by Sir Magdi Yacoub)**
